Greetings to All!

By now, many of you are having a well deserved rest from a busy year of handbell ringing!

Susan and I are heading to Tacoma, Washington this weekend to work with the wonderful handbell musician and composer, Dr. William Payn. We will be attending the Directors' Workshop as well as ring in the Mass Ringing and the Bronze Choirs. We are so excited that Dr. Payn will be our guest clinician for Classic Bronze 2013!

Then we have a break for about 10 days and come back to Classic Bronze 2012 with Dr. John Hooper from July 5-8. This will also be a weekend filled with work and fun! We rehearse for almost 3 days, then perform in a concert with other ringers from across Canada. Please join us for our final concert at Concordia University in Edmonton on July 8 at 4:00 pm.

Handbells etc. is very thankful to Malmark Inc. for the additional Malmark handbells so that we can now loan schools and churches full three octaves sets! If you know of someone who is interested in purchasing handbells, let us know – we can lend them some to try!

Susan Galloway and Camille Ream

Clinicians

If you are looking for a clinician to give your choir a headstart this fall, give us a call! We are interested in coming to your rehearsal to work with your choir (fees to be discussed). We will get both ringers and directors energized and enthusiastic about the upcoming ringing season! We have been clinicians in British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, New Brunswick and Colorado.

Servicing, Polishing and Maintenance

Want your bells or chimes serviced over the summer? Handbells etc. are happy to do this for you. Imagine how wonderful it would be to be able to return to your choirs in the fall with polished and serviced handbells and chimes. Please give us a call and we can give you a quote!
