*Greetings to All!*

*We are excited to be starting our 23rd year in business. Handbells etc. continues to work hard to meet your handbell needs and we appreciate your support. Please let us know how we can be of help to you. Call or email us for all your handbell needs!*

*This year, one of our focuses is our “Campayne for Layne”! Layne Samuelson is our 6 year old great nephew with Cerebral Palsy and special needs. His fabulous parents, Stephen and Maddi have joined together with Handbells etc to tie dye handbell gloves to help raise funds for his care.*

*Many of you have already purchased gloves to support Layne. We truly appreciate your support. Gloves sell for \$15.00 per pair and \$10.00 from each purchase goes directly to Layne.*

*Susan Galloway and Camille Ream*

# Campayne for Layne

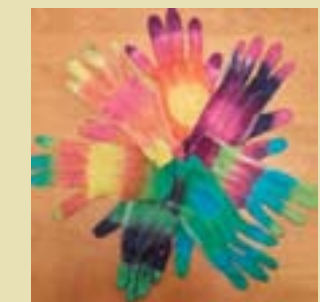

**Tie-dyed Handbell Gloves \$15.00**

**\$10 from each purchase goes directly to the family to help support Layne's special needs**

*Layne Samuelson was born with Cerebral Palsy on Oct 23, 2010. He is blessed to always be surrounded by people who love him unconditionally.*

*Check out the website for more information on ABR at [abramericas.com](http://abramericas.com)*

*Since 2012, Layne has been taking Advanced Bio Mechanical Rehabilitation (ABR) Therapy. This therapy is not currently covered by Alberta Health.*

*Layne's parents and family have travelled to Montreal numerous times to learn about this therapy and how to do it. The therapy takes about 3 hours a day. They have recently been renting a machine for Layne to use each night so that the therapy can continue an additional 12 hours while he is sleeping. Layne's physicians and professional caregivers are amazed with how well Layne is doing with this therapy.*

*This is what he looks like all wrapped up in his ABR equipment ready for his all night massage. As the bladders inflate and deflate, his fascia is strengthened and remodeled.*

*If you know of someone who has a child with cerebral palsy, please let them know about this therapy and, although expensive, how much it has helped Layne to develop.*

*Handbells etc has joined together with Layne's friends and family to make this fundraiser happen. Tye dye gloves are now available through Handbells etc for \$15 – all sizes and all colours!*

*Need ones in your school colours? Let us know and we can make that happen. Each pair is made with love!*

For more information, please see our website at [www.classicbronze.org](http://www.classicbronze.org) or contact us at: [classicbronze.org@gmail.com](mailto:classicbronze.org@gmail.com)

The Alberta Guild of English Handbell Ringers is collecting money to purchase handbell supplies such as binders, music, gloves and mallets for the Fort MacMurray Schools. The bells all survived this horrific fire but all the supplies were smoke damaged and cannot be used. There are 8 sets of bells in our northern community that could benefit from your donation. All donations of \$20 or more will receive a tax receipt. If you and your choir would like to participate in this with the ALGEHR, then please contact [treasurer@algehr.org](mailto:treasurer@algehr.org) for more information.

**JUNK FOOD PROCESSIONAL MUSIC!**  
Compliments of Handbells etc

Start Position 1 and 2 ringing and rapping (perhaps with a little attitude!), then add Position 3 and so on until all ringers are playing, walking and talking! Once they all get to the tables, cue them for the shakes, end with a C major chord and, either stop there or continue on with a piece in the Key of C at the same tempo! Impressive for the audience and fun for the ringers.

We request that you return the music as soon as possible so that others may preview them. When you have made your choices, please call us or email us and we will process your order.

**Processional and Joyful Dance by Tucker 2345 octaves Level 1+**

This is actually two pieces in one or they can be joined together! The processional has easy to memorize parts that are layered so ringers can walk in while ringing and repeat as needed. Add some percussion and you have a great sound! The Joyful Dance fits in any setting. This is an mass ringing choice for a festival.

**Santo, Santo, Santo arr Parrish with opt flute and SATB 345 octaves Level 2**

This piece, with it's simple tune and lyrics works well in all settings! We went to church when we were in Argentina and the congregation sang this song! Truly a wonderful experience! This arrangement has a handbell arrangement that stands alone or flute and SATB choir can be added.

**Shenandoah arr, Krug 345 octaves Level 2+**

Looking for a secular piece? This traditional folksong will work well in your spring concert or any of your outreach concerts! This arrangement of this American folk tune features music like a flowing river ebbing and flowing in crescendos and decrescendos!

**The Lord Is My Shepherd by Mokebust Level 2+ with violin 3456**

(utube - handbells ringers under the direction of Nikki Atwell from British Columbia)

This is an amazing original piece of music that is perfect for Psalm 23 lyrics. It is so helpful that they have included the lyrics in the music so that ringers can know exactly what the music is supposed to mean. This music is calm and lyrical and perfect for any worship setting.

**Jubilant Fanfare by Lloyd Level 3 345 opt Choirchimes®**

This music will work in any school, church or community setting! It will work well as a worship or concert opening. It also gives ringers a chance to think outside the box and ring in 3/2 key signature! The beautiful middle section all on Choirchimes® is a beautiful contrast from the fanfare.

**Where You Lead arr Lamb with vocal solo Level 3 345 octaves, Choirchimes®, ensemble and guitar**

This is a beautiful contemporary Christian piece with vocal solo or it can stand alone as a handbell solo. This is a perfect opportunity to join handbells together with your worship praise band! All the parts are included in this one score.

**Winter Meditation by Hatch 3456 octaves Level 3 Choirchimes®**

This original Canadian handbell composition was selected by the Handbell Guilds of Canada as the Canadian composition for the sixteenth International Handbell Symposium in Jeju, Korea. This is a great original Canadian composition that everyone should have in their repertoire!

**Winter's Walz by Krug 345 octaves Level 3 Choirchimes®**

Since we live in Canada, it is always great to have winter music that goes with the snow and cold that we have! This original composition in minor keys flows beautifully so you can imagine the skaters dancing on an outdoor rink!

**Whimsical Praise by Glasgow 34567 Level 3**

Link is composer Michael Glasgow directing it! This great original composition has the energy and excitement of Michael Glasgow! I did this piece with my church choir and they loved it!

**Forever arr Wagner Level 3 345 octaves optional Brass, tenor saxophone and rhythm section**

(link is with composer Chris Tomlin performing) This is great piece of contemporary Christian music with meaningful lyrics that your handbell choir can join together with your worship praise band. The refrain is Forever God is faithful, Forever God is strong, Forever God is with us. It can stand alone as a handbell piece as well. Ringers will need to move to the music to make it work. We sang this song recently at one of our worship services and we just didn't want to stop!

**Veritas by Wissinger Level 4 3456 octaves Choirchimes®**

This original composition is a fabulous piece for choirs looking for a challenging piece. Veritas is Latin for truth and this piece really shows off the truth about how wonderful handbells are! It has great syncopation, a wonderful chime part and filled with energy and excitement.

**Song of the Flowers arr Kevin Mazimas Ko Level 4 345**

This is a wonderful medley of the Taiwanese folk melodies depicting flowers arranged by Kevin Mazimas Ko from Hong Kong. The three movements are contrasting and have oriental harmonies that would work perfectly for you if you are planning a multicultural concert.

**Malmark Handbells and Choirchimes® Loaners**

PLEASE NOTE: As the Malmark reps for Western Canada, we have Malmark Handbells and Malmark Choirchimes® to loan to directors/ teachers who are wanting to add them to their music program. Give us a call to get the details! (no charge for borrowing them!)
