Bell Blitz

**Handbells
etc**

Greetings!

We continue to live in interesting times! We are so glad that many of you have been able to ring bells again, either in a full choir or in smaller ensembles. Making music together is so good for the heart, soul and mind!

As Covid continues to be part of our lives, ringers each need gloves of their own. We can perk you up with tyedye ones, or you can use black ones or white ones. Remember that we have "practice gloves" available for schools to help cope with the need for additional gloves. They are cotton with no dots and no differentiation between right and left hand. They are significantly less costly than our cotton dotted gloves. Give us an email, text or call with your order!

It's that time of year again for an anniversary sale at Handbells etc. We are doing a massive sale on music that we had shared with you at our Read and Ring sessions (back in the day when we had in person handbell events!) Some of the music is up to 75% off! There are limited numbers of copies so get your order in quickly. It's the best sale we have ever had!!!

Handbells etc continues to be there for you to help in whatever ways you need. Be sure to give us a call if you need additional binders, mallets, music or gloves to keep you and your ringers safe. Don't forget that we are willing and able to service and polish your bells for you for this upcoming ringing season.e

Call us to let us know how we can help you!

Camille Ream and Susan Galloway

Is It Time to Get Your Bells Polished and Serviced? What About Your Chimes – Do They Need Adjusting?

Bells and Chimes are being used more than ever in music programs in schools these days and we are hopeful that they are ringing again in churches. That means, they need to be polished and serviced!

During this stressful time, we can do all of that for you, including the regular maintenance that needs to be done. Imagine how wonderful it is to ring with polished and serviced handbells. Each time you ring the bell, it will sound exactly how it is supposed to! You and your ringers will be able to ring loud and soft, fast and do everything that the music wants you to do! Leave them with us for a bit and we will have them ready for your next rehearsal. Handbells etc also is happy to service your Chimes so that you can make the kind of music with your ringers that is amazing! Call us now for a quote!

Do you live in Canada? Then Handbells etc can help you! We provide service to handbell musicians across Canada, including the sale of Malmark Handbells and Choirchimes® in Canadian dollars.

You can reach out to us via email at susa@handbellsetc.ab.ca or phone or text at 780-437-9096 from anywhere in Canada when you are seeking information about Malmark Handbells and Choirchimes® or for your other handbell needs.
